

Bryan/College Station
Habitat for Humanity . . . *building hope, homes and community*

Dear Randy:

I write on behalf of Habitat for Humanity to request the donation of two lots to be used by B/CS Habitat for the construction of affordable homes for low-income (30-50% of the local median income) families in need of affordable dwellings, in College Station, Texas.

The lots are located at 114 Detroit Street and 412 Holleman Street. They are in the target neighborhood of the community's revitalization program and only blocks away from eleven other Habitat homes.

We have homeowners that have looked at the property and are excited about the possibility of living there. We are presently looking for underwriters to sponsor the homes; and would like to begin construction this fall.

Thanks for considering our request. We appreciate all that you do for the community's low-income families in need, and look forward to working together to provide another simple, decent home for a local family in need.

Sincerely,

Patricia G. Burk
Executive Director
